**Page 01**

**Page 02**

## 1. First name

## 2. Last name

## 3. Your email address

**4. What is/are your preferred role(s) in this project?**

☐ Analyst

☐ Peer reviewer

**5. If you wish to provide any other comments regarding your interest in one or more of these roles, please do so here.**

**6. If you plan to work as part of an analyst team, please provide the names and email addresses of the others on your team. \*All members of a team should complete the intake survey.\***

**7. TBD: questions about expected results (depends on formulation of research question)**

### 8. What is your current position?

○ Honors/Masters Student

○ PhD Student

○ Postdoctoral Researcher

○ Early Career Researcher/Adjunct/Lectureship

○ Senior Academic Position/Professorship

○ Research Position Outside Academia (please describe) [_____]

○ Other [_____]

### 9. Please choose the option that best describes your level of statistical expertise within the areas of statistics you use most frequently.

○ Novice. Learning to apply method(s) and to interpret output.

○ Moderately proficient. Able to apply method(s) to familiar data sets and questions and to interpret output. Understand important limitations of method(s).

○ Highly proficient. Able to apply method(s) to diverse data sets and questions and to interpret output. Understand limitations of method and articulate relevant statistical assumptions.

○ Expert. Understand statistical theory and details of computation for the method(s) in question. Able to teach upper level statistical course (in relevant area of statistics).

### 10. Please indicate which software you use regularly to conduct statistical analyses.

○ ASReml

○ Excel

○ JMP

○ Minitab

○ R

○ SAS

○ SPSS

○ Stata

○ Other (please specify) [_____]

### 11. What types of statistical analyses do you commonly use?

Give the names of the type of models you commonly use, for example "multilevel linear regression", "random forests", "hierarchical clustering analysis", "functional principal component analysis", etc...

[_____]
